Title: Municipal Modernization Service Review

Objective: To consider the City undertaking a third party Municipal Modernization Service Review with the goal of identifying service delivery efficiencies and lowering costs.

Background and Analysis: The Ministry is providing funding under the Municipal Modernization Program Intake 1 to undertake service reviews. There are 3 options available to conduct the review:

- A line by line review of the municipality's entire budget
- A review of service delivery and modernization opportunities; or
- A review of administrative processes to reduce costs.

CLT has reviewed and is recommending "a review of service delivery and modernization opportunities" for this round of funding.

The review must be completed and reported to Council by the end of June 2020. The result of the review is a report by the independent third party that provides specific and actionable recommendations for cost savings and improved efficiencies.

Financial impact: None identified as this is 100% covered by a government grant, if approved.

Alignment with Strategic Priorities:

Developing our Resources

Optimizing Stratford's physical assets and digital resources. Planning a sustainable future for

Stratford's resources and environment.

Widening our Economic Opportunities

Strengthening Stratford's economy by developing, attracting and retaining a diversity of businesses and talent.

Staff recommendation: THAT a Council resolution be considered in Open Session at the February 10 Council meeting, for Council approval for a third-party municipal modernization program review to be completed.
